"Leadership and learning are indispensable to each other." -John F. Kennedy
BTSC has a firm belief that leadership roles held by students create a positive school environment, positive emotional growth in the student leaders, and a positive example and influence on other students. To promote this belief, the Investiture ceremony is held every year at the start of the new Academic Session at all the campuses of BTSC. This ceremony signifies the reliance and confidence the school has in its students.

Revival of Reading

An awareness session was arranged by Ms. Mehreen Rizwan to instill the significance of reading habits among the students. This session was presented by a student Somia Ehsan from IXMA. Professions Day - Orchard Campus

It is very important for each child to seek and learn about professions of life at an early age so they can develop a sound and keen idea of what they want to become once they grow up and they start developing interest. Therefore, the Junior Wing at Orchard Campus held the Profession's Day. Parents were invited to the school and the participating children demonstrated about each profession with its descriptive illustration while dressed in complete attire of the respective professions. One very important aspect that was taken care of and addressed in this event was that each profession is equally respectable, well-reputed, is equally needed for

society and earns livelihood by fair means and is not inferior in any way. For this, many of the students also represented stalls of a butcher, a cobbler, a hair stylist, a market vendor, transport driver, an architect and a laborer. The parents thoroughly enjoyed watching their children represent professions as they walked through the event.

Jo Bin Khile Murjha gae

"There is no greater inhumanity in the world than hurting or belittling a child."

Child abuse has become one of the world's most common social issues. Bahria Town School & College grasps every chance to raise awareness among students against the serious social issues i.e. Child abuse. For this purpose, Sector B Senior proudly presented the untiring and dedicated efforts of Urdu Dramatic Club in the form of one hour long live performance named as **"Jo Bin Khile Murjha gae"** on **1st October 2019** in the auditorium. The team did not leave any stone unturned to prove its creative skills through outstanding theatrical performance of our Bravians. This performance was shown to the audience for three consecutive days in order to make sure that everyone gets an opportunity to watch it.
