"Life isn't about finding yourself, life is about creating yourself."

George Bernard Shaw

YES! This is the exact time to create yourself. With great enthusiasm and revived spirits, BTSC is again ready to provide a platform for education to its profound students. The school reopened on 15th August'17 with the Bravians, now refreshed after the break of summer air. The BTSC, after attaining 100% result in both Matric and O levels exams, has now higher morale and is dedicated to flourish more talent and intellect in its institution.

Undoubtedly, the academic year, here at BTSC is a joyous ride. We all hope that this ride proves to be much more exhilarating than before with lots of competitions to win and yet much more to learn and gain. Best of luck to all of you for the stimulating and eventful journey of knowledge and innovation. Bravians lets stand out and shine.

Good Luck!

— WELCOME — BACK TO SCHOOL

The start of the new academic session kicked off with a fun filled yet informative orientation sessions for parents and students at Pre School Sector A and Orchard Campus. Teachers along with their academic coordinators and the vice principal welcomed the students to their new classes. Each child was handed a goodie bag along with a welcome card by his/ her teacher. Children were excited to be back after the summer break and were enthusiastic about to start the new session.

WELCOME PARTY GIRLS COLLEGE

Welcome party for the new college students was arranged by the students of 2nd year at BTSC Girls Campus, Lahore. The aroma of food and colours was all around. It was such a wonderful start for the fall, 2017. Students came enthusiastically to attend the exciting party that had been arranged for them. The event started with blistering performances of senior students which was followed by mesmerizing and exhilarating performances by the new students. Short comedy skits were also prepared by the second year students. The crowd roared and enjoyed every minute of it.

Ice Cream Social

*There could not be anything
better than a day dedicated to
ice cream*

This year, the management welcomed children at Junior Campus Sector B in a different way, by holding a "Back to School Ice Cream Social". The event was held on August 18, 2017. It was the perfect time of the year when children started school again after hot summer holidays. Ice cream bars were set up beautifully. The school was decorated with ice cream cones made of paper, fabric and balloons. It gave every child a chance to get to know each other and develop a bond with their teachers.

INDEPENDENCE DAY CELEBRATION

On August 14th, Pakistanis commemorate the success of their struggle for an independent state. 14th August is certainly a time for every Pakistani to review a rich and dynamic PAKISTAN. Similarly, students at BTSC celebrated the Independence Day with the nationalistic passion. The theme of the morning assemblies at all the Campuses of Bahria Town School for the entire week circled around the Freedom of Pakistan and the leaders who made it possible. Students at all the Campuses highlighted the achievements of the significant personalities who dreamt of having a separate land and worked tirelessly to make this dream a reality such as Quaid e Azam , Fatima Jinnah and Allama Iqbal.

DEFENSE DAY CELEBRATIONS

An environment of patriot passion is generated in the whole country on Defense Day. People exhibit their passion and celebrate their unity as a nation. A seminar on Defense Day by the Junior Campus Sector B was held in the auditorium on Friday 8th September, 2017. Similarly the students of the Senior Campus sector B dedicated 6th September's Morning Assembly to all those martyrs who sacrificed their lives for the defense of this glorious nation. The students of middle and senior sections of Sector C also paid tribute to the martyrs by delivering very blood-

warming speeches in the Morning Assembly. At the end the principal Mr. Saleem Kashmiri delivered heart-warming speech. He told the students the background of Pak-India war of 1965 and how our army defeated India with the help of the zealous public and patriotic songs. The same zeal and enthusiasm were to be seen at Orchard Campus and Girls College on the 6th of September. Students enthusiastically participated in Defense Day activities and showed their love and respect for Pakistan's armed forces.

“ i hear & i forget I SEE & I REMEMBER i do & i understand Confucius ”

To give a hands on experience to the students the management of Junior Campus organized an educational trip for the students. The students of grade three to five visited the Safari Zoo. Visiting the zoo offered many learning opportunities. While having a fun day exploring, kids developed valuable skills and obtained priceless knowledge. As the students walked around, the teachers labelled every animal and asked questions about them. The students got first hand knowledge of how differently animals live, behave and interact with each other. The day ended with students sharing their experiences in black and white on a worksheet specially designed on the topic, “Animal World”.

MEET AND GREET

A welcoming event was arranged for grades I and II that helped in introducing them to the new learning environment and relieving their anxiety at the start of the new academic session. It provided an opportunity to the parents to interact with the teachers and get familiar with the school ambiance. Teachers also got a chance to share students’ special needs and discussed how parents and the school body can work together in order to improve the individual personality of each child. We believe that the secret of learning lies in the strong bond developed between the students, teachers and the parents and that’s how we begin the year with Meet and Greet.

SHARE AND CARE

Teaching regarding Eid-ul-Azha demands all of us not to forget the true essence of Islam and to make our children learn the true spirit of this sacred occasion. We at BTSC celebrated Eid- ul-Azha in our own way. In the spirit of Eid ‘The Social Welfare Club’ head by Ms Rakea in collaboration with the students conducted the activity called ‘share & care’ whose purpose was to ignite the spirit of empathy and sacrifice among the students. Students were encouraged to collect articles that would help the less privileged to be able to enjoy and celebrate this Eid like we all do. These gifts were taken to an Orphanage called ‘Gehwara’ in Township Lahore on the 31st of August. Our students distributed the packages among the children and it was quite evident from the smiles on their faces how happy and grateful they were and this is the true essence of Eid-ul-Azha. The same spirit and celebrations of Eid ul Azha were to be seen at Pre School Sector A as well. The students enjoyed a wonderful “Eid Millan Party” specially arranged for them by the management.

CARTOON FESTIVAL

In this fast paced world where most of the attention is captured by media, it’s not wrong to say that our new generation learns a lot by watching their favorite cartoons. Keeping that in mind Preschool arranged a cartoon festival where children were supposed to dress up as their favorite cartoon characters. The rationale behind the event was to teach good values and morals to the students that they should embody in their personalities and telling them the difference between right and wrong. The learning and fun experience was thoroughly enjoyed by the students.

HIGH ACHIEVERS

We are proud of all our students and wish them

MATRIC & O LEVEL

Best of Luck for their future endeavors!

HIGH ACHIEVERS AWARD CEREMONY OF MATRIC & O LEVELS

A prestigious ceremony was held in sector C auditorium, on Saturday 16th September, 2017 to honour the high achievers as well as the teachers of both Matric and O levels stream. This year the Bravians broke all the previous records of scoring marks, making us all proud. The event started with the recitation from the Holy Quran followed by a Naat. Later, the Principal, Mr Saleem Kashmiri addressed the parents and shared the key points of success. He laid

stress on the importance of setting goals in life and advised the parents to keep hawk eyes on their children. He also highlighted teachers' constructive role in keeping the students on the right track and bringing their hidden potential to the surface. The students securing 80% marks were given medals and certificates. The high achiever boys and girls who got straight A+ and A (in Matriculation and O levels) were given Principal Honour Award, a shield and a cash prize of Rs

25,000. The hardworking teaching faculty was called on the stage and presented with certificates of appreciation for their diligence. The ceremony wound up with a song sung by the school choir. Parents were overwhelmed with the whole celebration and expressed their gratitude on getting a chance to meet the teachers. Snacks and tea were served to the parents, teachers and high achievers after the ceremony.
